CITY SUPPLEMENT

TO

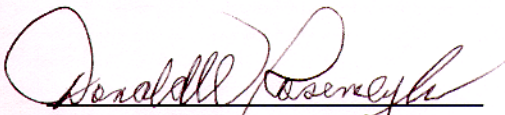

2005 Ohio Department of Transportation Construction and Materials Specifications

Forward

The City Administration, in an attempt to promote uniform construction practices throughout the area, has adopted the State of Ohio, Department of Transportation, Construction and Material Specifications for control of its construction program.

The City wrote this supplement to amend the State Specifications dated January 1, 2005. The supplement permits adaptation to City operation and control, and includes construction items needed by the City, but not included by the State.

Approved:

Donald W. Rosemeyer, P.E.
City Engineer
